Bidding and Paying “Rules”

Silent Auction

Most items will have a dedicated bid sheet on which to enter your bid. You may bid as often as you wish. Periodic warnings are announced prior to closing tables. The highest bidder(s) will receive the item. Winners will be posted in Fellowship Hall at the end of the live auction. **All bid changes must be added as a new entry at the bottom of the list. In the event of ties on items with multiple winners, winning bids will be awarded in the order of entry.**

“Blind Bidding” Items

A few items will be designated for blind bidding, where bidders will not know the specific bids submitted by other bidders. These items will be color coded and will all be grouped in a special blind-bidding area. Write your name and bid on the matching bidding slip and give it to the CSA representative at the blind bidding station. It will be time-stamped and placed in a sealed container. **If you bid more than once on an item, only your highest bid will count.** In the case of multiple bids tying, the bid with the earliest time stamp will be the winner.

Live Auction

1. The highest bid wins. If an item is “doubled” (donor agrees to double participants or host event twice) the second place bidder is expected to match the winning bid.
2. The decision of the auctioneer is final.
3. Don't be SHY! Both the donor and winner should contact each other to make arrangements to claim or deliver the prize. Unless specific arrangements are made with the donor or otherwise noted, the deadline to claim your prize is next year's auction.
4. All sales are final – no exchanges or refunds.

Schedule Your Event

To help avoid scheduling conflicts between various group events (dinner parties, outings, etc.), hosts should contact Linda Wenri (linda.wenri@cox.net, 703-759-3938) before setting the date for an item that did not have a scheduled date in the auction catalog.

LIVE AUCTION

How to Bid on a Group Item

Some of the most exciting moments occur when two or more groups vie with one another for an event. You can participate in this activity by either forming a group of your own or joining an existing group of bidders. Designated “Matchmakers” will be in the Meeting House to assist with forming groups.

When forming or joining a group, you should get a consensus on the dollar limit each participant is willing to spend for that event. You should inform the group leader or participants if you have an upper limit in mind or if the leader will decide. This will help you find or form a group that fits your parameters.

Bid by Proxy

If you cannot attend the auction but want to bid on an item(s), then contact someone who is going to act as your proxy. If you have trouble finding someone to serve as your proxy then contact Bill Pratt (wpratt40@gmail.com, 571-480-3721) who will find someone from the CSA Committee to serve.

Payment Procedures

Bills will be completed and ready for payment during the coffee hours after Sunday services the next day. **PLEASE BE PREPARED TO PAY ALL BILLS AT THIS TIME.** All unpaid bills will be mailed on Monday, for immediate payment.

IRS Reporting

For IRS reporting, anyone who wins an item(s) and all auction-item donors will be provided a receipt stating the tax deductible amount. Any amount of a purchase in excess of the fair market value is tax deductible for federal income tax purposes. Unless otherwise noted, the fair market value listed at the end of each description reflects the value of the item as a whole. Please note: payments for tickets to the auction and for the raffle are not tax deductible.

It is said that wine was first cultivated in Georgia. Central to the culture is the SUPRA, or traditional Georgian feast. Led by a Tamada (traditional host), 10-12 Immanuelites will eat and drink their way through multiple courses of amazing food and traditional toasts to the sounds of traditional polyphonic music. Our home-cooked selections have appeared on the menus of some of the best restaurants in Cork, the food capital of Ireland (and the home of Brian's cousins). Tap your feet to Irish tunes and listen to the musical tales passed down from generation to generation, ending the evening with a toast of Irish coffee or liqueur, as Brian and Christian share a traditional Irish blessing to bid you farewell and safe travels until we all meet again. COMMUNITY SERVICE AND ACTION COMMITTEE

The Community Service and Action (“CSA”) Committee’s annual auction is the primary fundraiser for supporting Immanuel’s outreach programs. CSA oversees financial support of local charitable organizations (current list is on page 3), as well as organizing and encouraging participation in: food, clothing, and household-item drives; holiday meals and gifts; preparation and delivery of sandwiches to the homeless in DC; and participation in Rebuilding Together and Habitat for Humanity.

CSA seeks to support local service organizations with which the church or Immanuel members have a relationship. **We would love to hear from you!** Occasionally, we find ourselves with more funds than we anticipated. If you are aware of a worthy organization with special needs—even on a one-time or emergency basis—please approach any member of CSA so that we might explore options.

We welcome new people to the Committee, whether as members or “occasional workers.”
